Northwind Robotics Annual Report 2024

Northwind Robotics closed fiscal year 2024 with record revenue driven by warehouse automation demand in Europe and North America.

Financial Performance

Table 1: Revenue by region (million EUR)

Region	FY2023	FY2024	Growth
Europe	112.4	141.9	26.2%
North America	96.0	118.5	23.4%
Asia Pacific	54.7	61.3	12.1%
Latin America	18.2	22.8	25.3%
Total	281.3	344.5	22.5%

Table 2: Operating expenses (million EUR)

Category	FY2023	FY2024
Research and development	58.1	71.6
Sales and marketing	40.3	47.9
General and administrative	22.7	25.4
Manufacturing overhead	49.6	58.2

People

Table 3: Headcount by department at year end

Department	2023	2024
Engineering	412	498
Operations	260	301
Sales	145	163
Support	88	97
Corporate	71	76

Engineering headcount grew by 86 people in 2024, the largest increase of any department. The company opened a new assembly plant in Gdansk, Poland, in September 2024.
